Phylly sits outside of Casey's apartment, distraught.

SANTANA (VO)

I don't know what the hell is going on
with you, but you better get to Relux
now or your finished!

She knocks on the door again, no answer. She sits a little longer.

PHYLLY

Casey, please just talk to me.

She knocks again. BARRY RICHARDSON, the next door neighbor, walks up to his door with groceries in hand.

BARRY

Are you looking for Casey?

PHYLLY

Yes I am.

BARRY

He told me to keep his mail, he'll be
working doubles the next few days.

PHYLLY

Oh ok, Thank you.

Barry nods and puts the key in the door. Phylly exits, she looks down at her phone and see's Santana's voicemail. She exhales deeply.
