Can you take a picture of us?

Casey looks toward Phylly. She shrugs.

CASEY
Yeah, sure.

He takes the picture. The fan grabs her phone.

FAN
We love your music so much. You're so famous on Youtube.

PHYLLY
Thank you.

The fans exit and she directs her attention to Casey.

CASEY
How is the EP coming along?

She receives a series of text messages.

PHYLLY
(While looking down at phone)
It's coming.

CASEY
(jokingly)
Any songs dedicated to me?

She ignores him as she responds to a text message from Sonny.

CASEY
Everything okay?

She puts down her phone.

PHYLLY
Yeah.

Phylly returns to the table.

PHYLLY

Okay, now where were we?

CASEY

You were about to eat your food.

She looks at the food, still queasy from last night.

PHYLLY

I'm not even hungry, I think I'll take it to go.

She waves down the waitress and points to the plate.

She turns back to Casey.

PHYLLY

You are going to love my EP when you hear it.

CASEY

I'm sure I will.

She gets lost in a day dream.

The waitress places a to-go box in front of her. She opens it.
